

ROW-CARE

A unit of THE TOWNSEND CORPORATION

Row-Care provides dedicated and experienced right-of-way clearance and maintenance services exclusively to the pipeline industry.

From site mowing to land clearing, Row-Care utilizes cutting-edge equipment that gets the job done efficiently. Available equipment includes:

- Low ground pressure equipment
- Jarraffs
- Fecon mower
- Yanmar with Radiarc
- ASV rubber-tracked machines

Row-Care is a turnkey contractor offering:

- Integrated vegetation management
- Herbicide application
- Cycle time warranties
- Prescribed herbicide mixtures
- GPS hazard location
- GIS mapping capabilities
- DOT operator qualified personnel/
line locating and marker installation

Working with Row-Care means you can expect:

- Job planning and scheduling of best practice site maintenance prescriptions.
- A knowledge of the stringent documentation and safety standards required to work on pipelines.
- An understanding of where pressure-sensitive equipment is needed, how to use herbicides to control vegetation while avoiding burnouts and how to operate efficiently within a pipeline zone.
- Extensive equipment capabilities and resources.

Row-Care is a business unit of The Townsend Corporation, a privately held Indiana-based corporation leading the vegetation management field for more than 65 years.

MISSION STATEMENT

To provide our clients with outstanding service quality in a safe and reliable manner. We endeavor to develop long-term relationships with our customers by consistently delivering superior service excellence while adhering to the highest ethical and professional standards in our industry. We are committed to reliability, responsiveness and customer-centered solutions.

CORE VALUES

SAFETY: Safety is our most important value – it always has been and always will be. We are nationally known as a safety leader in the industry.

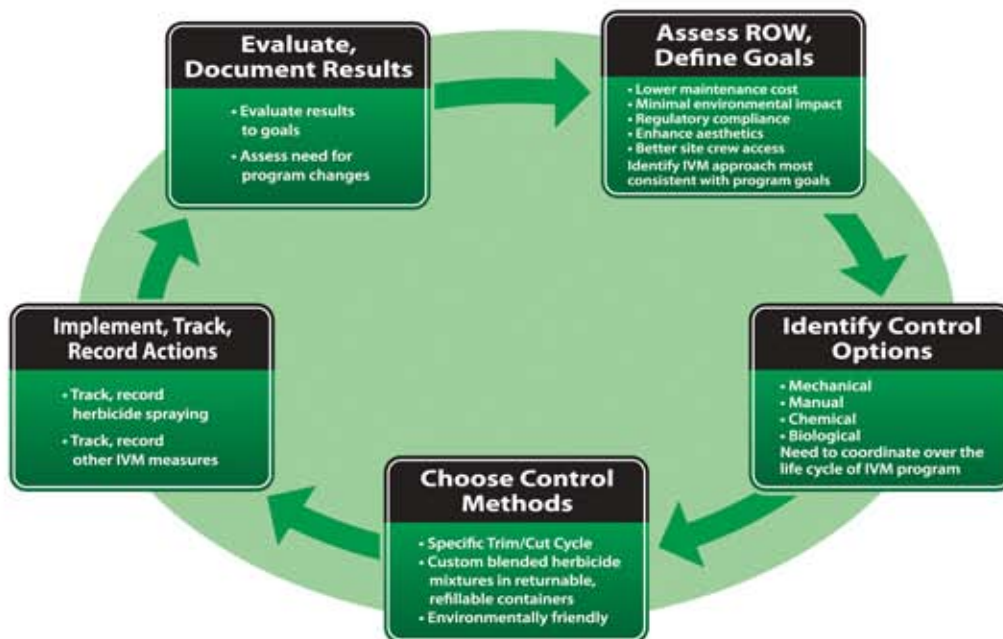

EXCELLENCE: We bring the best people, the best equipment and management practices, and a proven track record to the assignment.

INTEGRITY: One of our greatest assets is our reputation. With nearly 70 years of industry experience and expertise, we adhere to the highest ethical standards as we meet client needs.

CHARACTER: We expect our leadership and field personnel to conduct themselves at all times as professionals and experts in their respective fields.

ACCOUNTABILITY: Accountability in serving our clients' needs safely, efficiently, and dependably is the cornerstone of our reputation.

IVM Process

Row-Care is committed to improving safety from on-site to in-house operations. This commitment emanates from the highest levels of corporate management and resounds throughout the entire organization. Our focus on safety is a never-ending obligation to our customers and employees.
